## ***F.A.Q.'s***

### **Where can my child participate in Soccer Shots?**

Soccer Shots is held in childcare centers, schools, and parks throughout Centre, Blair, Lycoming, Clinton, Clearfield, Clarion, Huntingdon and Jefferson counties. Our park programs are open to the general public. However, only children enrolled in a specific childcare center or school can join programs held at our childcare locations. If you're interested in bringing our program to your child's facility, contact us!

### **What type of equipment will my child need to participate?**

Soccer Shots provides all the equipment needed at each session. Just make sure your child wears sneakers & comfortable clothing. Cleats and shin guards are not required (recommended for Premiers).

### **Can I have Soccer Shots start a public program near me or at my child's school?**

Yes! We are always willing to launch new public programs. At a park or community location, you can make this happen by forming a group of 6 children willing to participate in Soccer Shots. To help facilitate bringing Soccer Shots to your child's school, please contact us to see how we can work together towards this goal. You will receive a FREE season for your child to participate as a thank you.

### **What experience does Soccer Shots have teaching children this age?**

Soccer Shots has been serving children and families for 8 years in Central & NorthCentral PA. We are a part of a larger franchise system that has impacted over 200,000 children in over 140 cities in the United States. Our goal is to cultivate a love for soccer and fitness. We are firm believers that in each session a child is capable of learning something new about soccer and life while having fun!

### **What can I expect from a Soccer Shots session?**

Soccer Shots sessions are energy filled and involve skill development, character words, and fun! Our weekly sessions are built upon a specific theme. The coaches take great pride in teaching your child new soccer skills while having lots of FUN!

### **What happens if a session is cancelled due to inclement weather?**

During the season, we attempt to make up all missed sessions. At our childcare centers and community programs, we will add a session on to the end or use the designated make up dates noted when you register. We make the decision an hour prior to the session. An email will be sent to the email on file for the parents. For the most up-to-date info please "Like" our Facebook Page or check out our website!

### **Do I have to pay the registration fee each season?**

No...the \$20 registration fee is once per school year (Sept 2016-Aug 2017) so if you joined us this past Fall/Winter and paid the registration fee, you are good through Aug 2017. There is no registration fee for summer camps/programs.

### Soccer Shots Foundation

The Soccer Shots Foundation raises funds and awareness for non-profit organizations that support the physical and personal development of economically challenged children through soccer. Each year, Soccer Shots owners across the country have the opportunity to give back to Global Goals by:

- \* Hosting a local clinic fundraising event for families
- \* Promoting the national Soccer Shots ball fundraiser.
